co-located trade fairs

11-12-13 September, 2024 | India Expo Mart (IEM), Greater Noida, Delhi NCR

We cordially invite you to visit South Asia's leading trade fair for the electronics industry – electronica India and productronica India 2024. Connect with top suppliers across the entire electronics value chain, gain a competitive edge, and stay ahead of the curve with the latest industry insights and emerging technologies. Join us alongside our co-located trade fairs, SEMICON India, MatDispens India, and IPCA Expo.

Key Highlights 2024

For seamless entry, we are herein enclosing your personalised visitor badge to enable direct access to the exhibition and conference. Kindly carry this badge when you visit the trade fair.

11 - 12 September 2024

10:00 hrs - 18:00 hrs

13 September 2024

10:00 hrs - 17:00 hrs

India Expo Mart, Greater Noida, Delhi NCR

Conference program

Top reasons to visit

Organized by **semi** In partnership with **ELCINA** Supported by **ICEA** **ILSA**

SEMICON India Conference

Delves into crucial topics in semiconductor manufacturing.
September 11-12th, 2024 at Hall no. 2

Source

Evaluate a vast array of technologies and solutions to streamline your operations.

Jointly organized by **IESA**

2nd Edition of e-Mobility Conference

"Powering the Future: India's Vision and Roadmap for Electric Vehicles with Advanced Electronics"
September 12th, 2024 at Hall no. 2

Insights

Gain invaluable insights to overcome hurdles when implementing new technologies & solutions.

Organized by **IPCEA**

eFuture Conference

"Innovating the eFuture: Technologies Shaping Tomorrow's World"
September 12th, 2024 at Hall no. 2

Network

Connect with industry leaders at co-located trade fairs – SEMICON India, MatDispens, and IPCA Expo.

Powered by **ICEA**

India Display Manufacturing Conference

"Display: Window to the Digital World"
September 12th, 2024 at Hall no. 2

Learn

Gain knowledge on the latest industry trends, opportunities, and solutions through curated conferences.

Organized by **ELCINA**

CEO Forum

"The Great Leap Forward on Component Manufacturing"
September 12th, 2024 at Hall no. 2

Organized by **ELCINA** Supported by **ICEA**

India PCB Tech

"Targeting a Potential US\$ 11.5 Billion PCB Industry by 2030"
September 12th, 2024 at Hall no. 2

Partner

Explore business opportunities, from distribution to joint ventures, with top suppliers from India and beyond.
